About the artist

I'm a software engineer. Basically, I'm computer geek who loves to solve problems. I have been developing software for the last 25+ years but have recently rekindled my love of music.

Many of my scores are posted with individual parts and matching play-along however, this is not always practical. If you would like individual parts to any of my scores or other specific tailoring, please contact me directly and I will try to accommodate your specific needs.

Comment: Originally: "I Vow to Thee, My Country" was a British patriotic song created in 1921 when a poem by Sir Cecil Spring-Rice was set to music by Gustav Holst. Gustav Holst adapted the music from a section of Jupiter from his suite The Planets to create a setting for the poem. The music was extended slightly to fit the final two lines of the first verse. I created this simplified arrangement for Viola and Piano.
